

Have You Established Beneficiaries on Your 401(k) Account With Fidelity?

Please take a few moments today to name your beneficiaries to ensure that your benefits will be distributed according to your wishes.

Without beneficiary designations set with Fidelity, in the event of your death, benefits would be paid according to plan rules, which might be different from the designation you would choose.

To update your beneficiary designations online:

1. Log on to Fidelity NetBenefits® at **www.netbenefits.com**.
2. Click the ***Profile & Settings*** icon in the upper-right corner.
3. Select ***Beneficiaries*** and follow the online instructions.

If you have a mobile phone, you can also text CARE to 343898 to add or update your beneficiary information on NetBenefits® or scan the QR code.

Once you have completed your beneficiary designations, you will be able to view them on NetBenefits®. Please be sure to review your choices regularly and update them after certain life events, such as a marriage, divorce, birth of a child, or a death in the family.
